

Why buy Contact's forklift towing attachment ?

No Quibble Guarantee:

If you are dissatisfied in any way with your Contact forklift towing attachments performance, return it to us, and we will refund you in full.

Tested & Certificated:

All Contact's forklift towing attachments are 'CE' marked, fully tested and and come supplied with Certificates of Conformity for compliance with Health & Safety regulations.

Versatile:

Supplied with a 50mm ball hitch and pin for maximum usage, Contact's forklift towing attachment proves suitable for use with most trailer hitches on the market.

Easy Fitment:

With 1200mm long fork pockets, to suit the most common forklift fork length on the market, Contact's towing hitch attachment is easily fitted to the lift truck forks with simple 'drive in' operation.

Safe Securement:

Utilising heel pin retention, Contact's forklift towing attachment is safely secured to the lift truck forks.

We hope the above helps demonstrate the quality and safety aspects of a Contact forklift towing attachment, and in doing so, we welcome the opportunity to supply you with a high quality tow hitch attachment that will assist in your towing needs
