

Skip Handler System

A lower cost option to the roll forward skip when bulk quantity is required. The benefit of the skip handler system is that it allows you to purchase a package of 5 bins and 1 handler at a economical price. When you purchase the system you get the bin handler which fits on the forklift and allows the bins to be picked up and emptied. The bins are made from solid floor and mesh side construction.

Model Ref	Skip Capacity (m ³)	Skip SWL (kg)	Weight (kg)	Skip Dimensions (mm)	Handler Weight (kg)
SHS-1	0.9	500	92	1200 X 1000 X 900	78

When you purchase the skip handler system it comes with 5 skips and 1 handler

Extra skips can be supplied if required
