

Versa-Lift Drum Stacker

The Versa-Lift™ multi-purpose portable lift is a manually-propelled positioner with a single-post design to provide high visibility. This load-straddling portable lift efficiently performs medium-duty and “in between” handling tasks. The Versa-Lift™ features a rugged steel frame, single post design for maximum operator visibility, and rolls easily on (2) 3" rigid and (1) 4.5" swivel poly wheels. Power options include: manual foot pump, air motor, 110-volt AC motor or 12-volt DC motor. 78" and 90" models available. Optional floor lock available.

Model Ref:	Max SWL Kg	Lifting Height mm	Overall Height mm	Lifting Power	Lifting Speed mm/min	Weight Kg
