## Fork Sock Protection Covers - FSS

A low cost and effective solution to fork protection.

Simply fitted and secured via tie-backs to suit any size of forklift forks, these Polyester protective sleeves can help reduce damage and scratches etc to painted or fragile items during fork handling

Model Ref         To Suit Fork Width (mm)         To Suit Fork Length (mm)           FSS-100-1200         1200           FSS-100-1500         1500           FSS-100-2000         2000           FSS-100-2200         2200           FSS-125-1200         1200           FSS-125-1500         1500           FSS-125-1800         125           FSS-125-2200         2200           FSS-125-2200         2200           FSS-150-1200         1500           FSS-150-1800         150           FSS-150-2200         2200           FSS-200-1200         1200           FSS-200-1200         1500           FSS-200-1200         1500           FSS-200-1200         1500           FSS-200-2000         2000
