

GenieGrips® Mats

GenieGrips® Mats provide superior grip and load stability, preventing slips during transport or tilting. Made from durable rubber with a reinforced steel frame, they protect loads from raw metal tines while ensuring safe handling.

Non-marking and oil-resistant, these mats deliver reliable performance in tough environments. Easy to fit and remove, with bright yellow visibility for safety.

Experience enhanced security, reduced damage, and peace of mind with GenieGrips® Mats.
