

Push Broom Sweeper - Prosweep

Prosweep Forklift Sweeper

The Prosweep series is a tough, multi-purpose forklift sweeper for a wide range of industrial clean-up tasks. With no moving parts, it offers simple, reliable sweeping with virtually zero maintenance.

Constructed from high-tensile steel shroud with powder-coated finish, it provides a safe, efficient, and economical solution for yard and warehouse cleaning.

Ideal for soil, leaves, light snow, spills, mud, wood chips, pallet scraps, and more.

Measurements	Width (mm)	No of Rows	Bristle Height (mm)	Weight (kg)
Prosweep-600	1525	8	280	67
Prosweep-720	1830	8	280	79
Prosweep-960	2400	8	280	116
