Features

- Unmatched Power:** Designed to handle up to 500kg, the GoodsMan B tackles large, heavy items with ease, making it the go-to choice for inflatables and other oversized loads.
- Conquer Any Terrain:** Equipped with 305mm wheels and wheel guards, this sack truck glides effortlessly over grass, gravel, and rough surfaces, ensuring smooth transport in any environment.
- Safe and Secure:** The large toeplate (500 x 210mm) and included strap keep your cargo firmly in place, while the upright or 65-degree lean angle on the support wheel ensures stability on inclines.
- User-Friendly Design:** With a throttle handle and battery power meter, the GoodsMan B offers precise control and minimal effort, reducing user fatigue and boosting productivity.
- Built to Last:** Proudly designed and manufactured in the UK, this sack truck is backed by a 2-year warranty and built for long-term reliability, delivering exceptional return on investment.
- Ready When You Are:** The grab-and-go design ensures quick deployment, perfect for fast-paced work environments where efficiency is key.
