

Tilting Skip Bin

Our versatile tilting skip bin is available in two capacities: 200kg (200 litres) and 400kg (260 litres). Crafted from durable sheet steel on a sturdy square frame chassis, it provides efficient waste collection in workshops and factories.

Safety features include a reinforced rim, no sharp edges, push handle, and retaining latch to prevent accidental tipping. Optional forklift pockets add compatibility.

Smooth maneuverability comes from 200mm wheels and swivel castor.

Model Ref	RH-SB08	RH-SB10
Body Size (H x W x D mm)	525 x 580 x 1050	700 x 630 x 1200
Overall Size (H x W x D mm)	790 x 850 x 1175	970 x 900 x 1320
Capacity (Litres)	200	260
Capacity (kg)	200	400
