

Single Cylinder Trolley (GCH Series)

Designed for lifting or wheeling cylinders around the floor, this cylinder trolley is ideal for easy movement of gas cylinders around the workplace. The cylinder trolley is available in two sizes to suit all cylinder sizes and comes fitted with steel link retaining chains to the top and bottom for safe cylinder securement. Large solid rubber wheels provide for easy movement whilst a lifting eye fitted to the top of the unit allows for easy attachment to any overhead crane or lifting gear. The cylinder trolley will come 'CE' marked, fully tested and supplied with Certificate of Conformity for Health & Safety Regulations.

Model Ref	Capacity (kg)	Cylinder Diameter (mm)	Overall Size (mm)	Weight (kg)
GCH-SLT25	150	180 - 230	410 x 740 x 1870	23
GCH-SLT26	150	230 - 305	490 x 740 x 1870	24

The perfect solution to handling single cylinders for lifting and transporting
