

Drum Dollies (FDH Series)

Drum dollies provide an effective solution for moving drums around the workplace. Strong durable design manufactured from steel frame and cross straps. Smooth rolling of the drum dollies is carried out by heavy duty, replaceable, zinc plated castors, featuring single race bearings with polyolefin treads that resist oil, water and impact.

Model Ref	Capacity (kg)	Drum Size (Gallons)	Drum Type	Weight (kg)
FDH-SD30	320	30	All Types	5
FDH-SD55	410	55	All Types	8

The perfect solution to moving drums
