

This heavy-duty push along snow plough comes with an adjustable blade, from 0° to 30° of left hand sweep, allowing snow to easily slide off the blade.

The plough is easily adjustable on a 50mm pitch with 6 adjustments using a fly nut and bolt

The simple trolley design of this heavy-duty snow plough allows you to remove snow whilst keeping your body in an upright position.

Model Ref	Blade Width (mm)	Blade Height (mm)	Overall Height (mm)	Overall Depth (mm)	Weight (kg)
PSP-1000-HD	1000	330	1000	1140	28
